

JA-T6204-PO1031-WP Wireless NVR Kit with touch screen

Key Features:

- H.265 3MP, enjoy high-definition picture quality
- Comes with 7-inch touch screen, no need installation
- Can be independently powered by 18650 battery
- Built-in dual WIFI, support wireless network card, get rid of the shackles of network cable
- The camera can communicate with the host and APP two-way audio
- PIR + motion detection linkage alarm, real-time push accurate alarm information
- Support mobile phone, PC client multi-channel remote monitoring, view anytime, anywhere

Camera Features:

- 3MP HD resolution
- PIR motion detection linkage alarm recording
- Support two-way audio
- Supports up to 128GB microSD card
- Support local and base station dual storage
- Support wireless code adding to wireless NVR, base station
- Support AP mode to add to home router
- Can be used as a standalone to connect with a home router

Specification

Model	JA-T6204-W
Video input	
Network audio and video input	4 CH
Video output	
Built-in LCD capacitive screen	Size: 7 inches Resolution: 1024x600 Support touch screen operation
Audio input	Support microphone input (built-in microphone)
Audio output	Support speaker output (built-in speaker)
Video encoding specification	
Video compression standard	H.264, H265
Recording and playback performance	4CH 3MP recording 1CH 3MP playback
Audio compression standard	G711A/AAC
Video management	
Video mode	PIR motion detection recording, automatic coverage loop recording
Storage method	
Video storage method	TF card video storage

Specification

External Interface

Battery key	Used for battery to power the motherboard
USB interface	1 USB 2.0 interface (support U disk upgrade, and mouse)
2.4G dual WIFI interface	At the same time support IPC code and connection, and wireless Internet access
TF card socket	Maximum support 128G

Others

Power supply	DC 5V 2.5A
Power consumption	≤10W
Operating temperature	-10C to 50C
Overall size	191*123*31.5mm
Device Weight	≤500g

Model	PO1031-WP
Pixel	3MP
Resolution	2304x1296 16:9
Lens	4mm
Video compression standard	H.264,H.265
Audio compression standard	G711A/AAC
Stream parameters	Dual stream 2304x1296@15fps 640x360@15fps
Privacy masking	4 areas can be set
Infrared distance	20 meters
Interface	1 SMA interface, 802.11b / g / n / protocol 1 built-in microphone 1 built-in speaker 1 Micro SD card interface, maximum support 128GB 1 PIR human detector

Power supply	DC 12V1A
Power consumption	≤6W
